"Billy" Samuelson Sets Another Mark for the Two Mile Record.

LOWERED TIME FOUR SECONDS.

Hardy Downing the Victor in Tea Mile Motor Paced Race With Johnnie Chapman.

If "Billy" Samuelson keeps on smashing world's records, a new supply will have to be manufactured. About every time Bill gets on the track a world's record is due for a tumble. Bill had the hand it is having, and in the two-mile handicap event he showed off four seconds from the record previously established by him. In other words, he covered the distance in 5:35.3. This is four and one-fifth seconds better than Champion Frank Kramer could do.

Samuelson crossed the tape first, Hopper, with 60 yards lead, got second, Achorn, with 50 yards, got third, and the Downing, a 5 yard man, got fourth. The boys were won as follows: Samuelson and Leyland, 1; Palmer, Burris and Gunn, 2; Staver, 3; Pray, 4. There were 11 starters in the event, and they presented a pretty picture, as they skinned around the saucer jockeying for good positions.

The mile novice race proved an interesting event, and occasional some surprising when Leyland carried off the honors and a gold medal and broke the track record of 2:12. This time 2:09.45, a record of 2:12 in this race and Morgan third.

The three-mile open lap race for amateurs furnished a lively contest. The winners were Iver and Carl Redman, E. B. Heagen and Emil Agraz, Iver Redman was the first to cross the tape. He took things easily until nearly the end of the race, and then shot ahead and kept the lead until the finish. The winners of laps were as follows: Elwood, 5; Tate, Agraz, 3; Weiser, West, Iver, Redman, Carl Redman, Halliwell, Castro and Wilcox, 7.

Only three competed in the free-for-all five-mile motor race although six had entered. The contestants were compelled to ride on-mile heats to qualify, the three fastest to race. The winners were Iver and Carl Redman, E. B. Heagen and Emil Agraz, Iver Redman was the first to cross the tape. He took things easily until nearly the end of the race, and then shot ahead and kept the lead until the finish. The winners of laps were as follows: Elwood, 5; Tate, Agraz, 3; Weiser, West, Iver, Redman, Carl Redman, Halliwell, Castro and Wilcox, 7.

The ten-mile motor paced race behind shields, between Hardy Downing and Johnnie Chapman, went to the former who had a rather easy time in beating the Atlanta boy. The time was very slow, 15:02.5, and Downing rode around Chapman no less than nine times.

TODAY'S GAMES.

Well, well, is it really so?
Salt Lake managed to roll down a game from Butte yesterday afternoon at Walker's lawn party, and they did it with ball playing in the field.

Sporer was in the box for the smoke-eaters and managed to get on fairly well until the fifth and sixth innings when the locals committed as many as three errors. After that the game was all over. Hoon took his place and managed to hold the enemy down, but the game would have been a lot different if Sporer met his downfall. But the win was not a cinch by any means. But for Dutch Muller's error in the eighth when he cut off Runkle as the latter was hurrying his anatomy at the plate, the game would have been a lot different. The miners may have won. Runkle was caught at the plate twice. In the sixth inning he tried to catch home but was caught him with a splendid throw to Hausen.

These throws were features of the game. Thus pitched for the locals and performed very well, considering the fact that our hero was new.

The fight will be continued this afternoon. The score follows:

YOUR HAT
May be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has lots to answer for.

Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of dandruff it is a sure sign that these countless germs are busy at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newb's Hair Remedy to the scalp. It will kill the germs and healthy hair is sure to result.

WALTER SAID "NO."
Refused to Play Next Series With Indians at Spokane.

(Special to the "News.")
Butte, Mont., July 29.—Walter Wilcox, pitcher of the Spokane club, today refused to play the next series with the Indians at Spokane.

Wilcox wired back refusing. "I will transfer no games to any town because the team might draw better there," said Wilcox. "Butte is going to have all of baseball that the schedule calls for. If there is any transferring to do we might like to have a few extra games here."

INDIANS WERE ROUTED.
McCluskey's Bunch of Fruit Pickers Won Yesterday's Game.

Spokane, July 29.—Spokane tried its new pitcher, Stelz, today, with poor results. Stelz was too liberal with his passes. Stelz being a new man, the team back of him did not play their usual game and this had something to do with the new pitcher's unsteadiness. Spokane was credited with more hits than Boise, but the error column was less on Boise's part. The exciting eighth inning was the only thing, when the Spokane players fattened up their batting average. Score:

Spokane 9 5 1
Boise 3 2 3
Batteries—Stelz and Stanley; Starkells and Hanson.
Umpire—Klanerney.

DEFEATS HANLON.

Popular Little Californian Saved By the Police From a Knockout.

HE RECEIVES A BAD BEATING.

Fierce Battle Continues for Nineteen Fast Rounds, When Chicago Lad Is Given the Verdict.

San Francisco, July 29.—In one of the fiercest battles ever witnessed in this city "Battling" Nelson of Chicago tonight defeated Eddie Hanlon of San Francisco, the end coming in the nineteenth round.

From the time of the ringing of the signal for the commencement of the fight the youngsters began mixing matters in the liveliest manner. Hanlon fought in his usual fashion, but the Chicago lad early penetrated the guard of the Californian, who bore several facial marks before the tenth round, testifying to the accuracy and force of his opponent's blows. It was almost an even thing until the fifteenth, when the boys fighting fiercely.

After the fifteenth the tide of battle began to go toward Nelson, who, throughout, although very heavily punished about the face and body, had maintained his usual powers of endurance and resiliency of his mind. The sound of the gong in the eighteenth saved Hanlon from defeat at that period, but in the next round he came up so badly injured that Nelson had him at his mercy and was battering him around the ring until he had lost consciousness.

The referee, who had been watching the fight, called a time-out and the spectators made a protest against the continuance of the now one-sided fight. The referee, who had been watching the fight, called a time-out and the spectators made a protest against the continuance of the now one-sided fight.

Throughout the affair the blows of Hanlon did not have any apparent effect whatever upon Nelson, who fought the game and stubbornly to the finish line and always carried the battle to the other man's territory. At the conclusion he did not display a bruise, while Hanlon's face was bleeding and cut.

Who next?
"Young Corbett" or Britt?
Battling Nelson can just about take his pick of the two.

By his decisive defeat of little Eddie Hanlon at San Francisco last night, Battling Nelson demonstrated that he has a right to demand respect from the top-noppers in his class.

When S. J. Kelly brought the game Chicago lad here to battle with Spider Welch, not many were in Salt Lake to see the fight, although Welch then had 25 straight victories to his credit. His victory over Welch at the Salt Lake was a real triumph for him.

He still retains his battering ram punch.

He can absorb enough punishment to put three ordinary lightweight to sleep, and it seems impossible to tire him.

He is not a fighter, but a contest with Britt or Corbett, and if he ever enters the ring with either of them at 125 to 130 pounds he will have the hardest fight of his career.

ATHLETICS AT FORT.
Livey Contests Between Members of the Twenty-Ninth Infantry.

Owing to the absence of the Twelfth and Twenty-second batteries from Fort Huachuca, the livey contests at the post were participated in yesterday by members of the Twenty-ninth infantry.

While Boise is an expensive club at the beginning of the season, the most expensive club of the league at the present time is Butte. The club has only 10 left. Spokane is also down to 10 basins. Boise is carrying 15 men. Drinkwater is not regularly signed. He was engaged to pitch one game in Boise, but Salt Lake until it should be ascertained whether Pete Dowling was going to get back into shape.

Next week Boise will play in Salt Lake and Spokane in Butte. It will be the week after that time that the club will have to leave home for a trip to Butte and Spokane, and unless the attendance at Salt Lake is better than it improves, it may be doubted if the money to pay the railroad fares is forthcoming.
